

Zipscreen Outdoor Shades

Pivot Arm

The Pivot Arm system is ideal for windows on first or second levels of the home or office. Pivot Arm features a robust spring-loaded arm and perfectly maintains fabric tension in all positions.

Features

- An alternative solution within Zipscreen's comprehensive outdoor shading suite
- Drop Awnings are modular. Utilise common components across the entire suite
- Suitable for traditional awning style opening windows and sheltered areas around the home.

Colour Range

*Pivot Arm Rails in Pure White and Black only.
